“Dedicated to helping all students do their best work and become their best selves.”

¡Estamos dedicados a ayudar a todos los estudiantes a alcanzar sus potenciales en rendimiento escolar y a aprovechar al máximo sus capacidades!

We were all surprised by the Governors change in direction on school opening and her order to implement mandatory masking in Oregon Public Schools. We are working with our state elected officials to grant KFCS local control. The facts are that we currently do not have local control on Covid-19 / Delta Variant related matters. We encourage anyone with concerns on the Governors mandates in regard to Covid-19 to communicate with our State level elected officials.

The Governors “Ready Schools, Safe Learners Resiliency Framework” is very punitive for our employees and school district if violated. Please [click here](#) to read this document.

We are very excited that we are allowed to begin the school year with students in school. We have a lot of work to do to get all of our students back on track after the Covid-19 shutdown. We look forward to all of our students returning to school and starting the recovery process.

Stay Safe,

Keith A. Brown, Superintendent
