### CHAMPS!

The S in CHAMPS stands for success. Teachers purposefully teach students that if they follow the CHAMP in CHAMPS they will be successful. Teachers need to provide their students with specific information about attitudes, traits, and behaviors that will help them succeed in school and throughout their lives. Guidelines for Success are developed and used on a school wide basis. As a staff, we have created clear expectations for all students. An example of this is how we expect students to play at recess:

### Playground

• Play safely	
• Be a kind citizen	
• Be a problem solver	
• Clean up / Line up on 1 <sup>st</sup> whistle	

Teachers also have developed Guidelines for Success for their classrooms.

An example of this is:

Be Respectful  
Be Responsible  
Be Safe  
Be Kind

### Conger Happenings:

- Thanks to Mrs. Davis and her enthusiastic students, our Glow Stick Party was a huge success! Over \$2,000 was raised for Homelessness Kits. This does not include the generous donations of many Conger families, Klamath Falls agencies, organizations and businesses. We thank you all!
- This month, our Conger Student Council is hosting a "Random Acts of Kindness Challenge." The goal is for staff and students to complete 2,000 acts of kindness over a 2-week period. On Valentine's Day, each will receive a special Valentine for helping the school reach the goal. The acts are being recorded on our RAK (Random Act of Kindness) Tree.
- On February 25, Conger 5<sup>th</sup> Grade students are embarking on an adventure to Shady Creek Outdoor Science School in Nevada City, California. They will be learning in a beautiful environment about science and nature.
- **Please note:** PTO Family Bingo Night on 2-22-19 has been postponed. Watch for updated information.
