February/March 2018

## **In the Know**

**4<sup>th</sup> and 5<sup>th</sup> Grade Girls Basketball After-School Program will run from February 5 – March 3.** A huge shout out to our boys basketball teams, who placed first and third in the All City Tournament!

## **Attendance Counts!**

Congratulations to our January Attendance Winners! February’s Attendance Prizes are cozy blankets and math focused card games. Remember, in order to be eligible to win you must only miss 1 or 0 days of school and be on time and in class all day.

## **Important Reminders**

**Supervision of students does not begin until 8:00 am.** Please do not drop off or send your children to school before that time. Breakfast is served beginning at 8:00 am and continues until instruction begins at 8:30 am.

**Immunization Exclusion Day is February 21, 2018.** Oregon Law states that all children must be immunized by this date. If you have any questions regarding immunization please call Conger’s office.

**When dropping your children off in the morning, please be mindful of our school buses that arrive between 8:00-8:10 am.** Please do not block the red zone areas. This will allow the buses to turn around safely and drop children off by our playground.

Thank you for assisting in keeping all children safe!

## **Celebration Station!**

Save the date for our First Annual PTO Daddy/Daughter Dance on **February 23<sup>rd</sup>** at 6 pm. All daddies and those that love like a daddy are invited to attend with their Conger girls.

On **March 15**, Conger will be hosting a Walking School Bus Day. In honor of Conger’s designation as a Blue Zone Approved School, students will be treated to a Celebration Assembly complete with prizes, banners, a band and Pelican Pete!

All Conger families are invited to a celebratory gathering on **April 5**, where students will share math games, enjoy a tasty dinner and have a chance at some great math prizes! Stay tuned for more details coming up.

**We have received news that Conger 5<sup>th</sup> Grade has received an Outdoor Science School Grant.** This means our 5<sup>th</sup> grade Klamath Outdoor Science School field trip will be fully funded this year!

## **Classified Appreciation Week**

**The week of March 5 – 9 is Classified Appreciation Week.** Classified employees include our paraprofessionals, bus drivers, secretaries, cooks, custodians, and maintenance workers. They play a critical role in serving and caring for children every day. They are the unsung heroes that keep the lights on, the floors shiny, the phones answered, and the buses moving. They are the extra pair of eyes, hands and hearts that assist students and teachers without fail.
