

A School of the Klamath Falls City Schools

“Education Your Way for an Ever-Changing World”

Klamath Falls City Schools is excited to offer families a new education option as an alternative to a typical school environment. Klamath Home Learning Academy is the perfect option for families who want the best education for their child in a 21st century setting. KHLA offers two different learning options:

Option 1: Teacher-Led Real-Time Learning

This option is available for Kindergarten-6th grade students. It is the perfect option for families who want a blend of teacher-directed learning in their home while also being actively involved in their child’s education. Families who select this option will receive:

- Daily real-time virtual instruction from a highly-qualified Oregon licensed teacher.
- All the same content that you would find in a typical school environment: Math, Language Arts, Science, Social Studies, and Art.
- A school-provided Chromebook for your child to access their learning while enrolled at KHLA.
- Daily activities for students and families to engage in together to further enhance your child’s education.
- Access to all the same services that any KFCS student has access to: Music, Sports, PE, and Counseling – all available at the school closest to you.

Option 2: Self-directed computer-led Instruction

This option is available for 3rd-8th Grade Students. This is the ideal option for families frequently on the go, or for students who learn best with technology and need to learn at their own pace. It is a computer-based learning option for students with frequent teacher check-in’s. KHLA has partnered with Odysseyware to provide this option to our families. Families who select this option will receive:

- 24-7 Access to Odysseyware which will allow students to learn and grow at their own pace.
- A school-provided Chromebook for students to access their learning while enrolled at KHLA.
- Content instruction in Math, Language Arts, Science, Social Studies, and Art.
- Access to and frequent check-in’s with a highly-qualified Oregon Certified teacher.
- Access to all the same services that any KFCS student has access to: Music, Sports, PE, and Counseling – all available at the school closest to you.
