

CHROMEBOOK CHECK-OUT INFORMATION

REGISTRATION

School registration is required prior to checking out a Chromebook. If you need help registering your student please see the links in the above section.

AGREEMENT

All students and families checking out a Chromebook (we anticipate there will be one for each student) will be required to complete a 1:1 Mobile Device Checkout Agreement. *If you wish to print the form out and complete it prior to coming to the check-out. Here is the [link](http://www.kfalls.k12.or.us/Schools/Mobile_Checkout_Agreement.pdf): http://www.kfalls.k12.or.us/Schools/Mobile_Checkout_Agreement.pdf*

OPTIONAL INSURANCE \$25 PER DEVICE

There is an option on the agreement to purchase insurance to cover damage or loss of the Chromebook. If you choose not to purchase the insurance, the student/family will be responsible for the full costs associated with damage or loss. Should you wish to purchase insurance, payment will be due at the time you check out the device(s).

INTERNET REQUIREMENT

All students will need access to the internet in order to participate in Comprehensive Distance Learning. For families that do not have internet, a mobile hotspot may also be available to check out (one per family).

WHERE TO CHECKOUT

Chromebooks must be checked out at the students' school of enrollment (families with students in multiple schools will need to go to each school).

SUPPLY

There are plenty of Chromebooks, so there is no rush to be first in line. We hope to use the entire length of each schools checkout window to meet the needs of all our families.

COVID-19 PLAN

The district will adhere to social distancing and sanitizing guidelines provided by the Oregon Health Authority and CDS.
