Principal's Message

I have been very fortunate to be a part of Pelican and it's community this year. I want to thank you for the opportunity to work with you and your children. The best part of my day in getting into classrooms and seeing all the amazing opportunities teachers give your children to grow. Our Pelican students have worked hard to get ready for the next school year! I am looking forward to continuing to help Pelican be the best it can be!

We had the NED Assembly on 5/23. NED stands for **Never give up, Encourage others, and Do your best.** What a great message for our students! We are selling Yo-Yo's before and after school from May 24-June 1. While Yo-Yoing is cool and simple, it's not always easy. Everyone who learns to Yo-Yo will make mistakes along the way. When students try it, it's important to learn from mistakes and never give up!

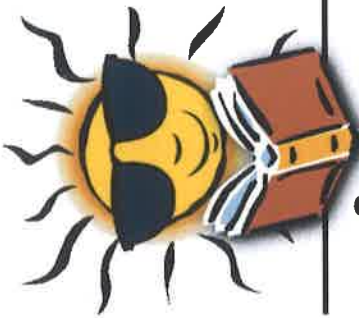

AVID Family Math Night was a success. Pelican worked together with our math consultant, Janis Heigl, to provide families three games to play and then take home. All families that did not attend will get a pink paper (with their report card) with student and parent information so that students can login and play DreamBox (a math program that supports our curriculum) over the summer!

Our **9th Annual Activity-a-thon** will raise money for assemblies, special items for each classroom and other special projects to make Pelican even better than it already is. Please help your child collect flat rate donations from friends and families. All donations need to be turned into the office by Thursday, June 7th. On Friday - all students will participate in a fun, activity filled afternoon. **THANK YOU, Boosters -- WE APPRECIATE ALL YOU DO FOR PELICAN!**

We have a lot of exciting things as we end the school year - please check June Reminders so as to not miss any of our activities! Enjoy your summer and we will see you in the fall!
