Principal's Message

May Newsletter

Ahoy Pelican Families,
 Several of our Pelican classes will be continuing with a fabulous tradition of delivering May Day flowers to our surrounding neighbors and friends. This is a fun activity and a great way for our Pelican student to give back to our community with a act of kindness.

May officially kicks off the last seven weeks of school! Our school is busy finishing planned curriculum, making sure all 3rd - 5th grade students have completed state testing, preparing for 5th grade outdoor school, participating in K-12 Give Back Day, sending 2nd grade swimming, and the list goes on and on. There is so much happening between now and June 14th - please make sure your child is at school each day! Everyday Counts.

The Pelican Booster Activity-a-Thon will begin May 25th and we ask for your support in helping your child raise money for this. We are keeping kids healthy, active and engaged in school with this fundraiser, as well as earning money for next year's projects and activities for Pelican students. The Pelican Boosters have come up with some really great prizes for our students! The Activity-a-Thon will take place on Friday, June 8th. We also want to thank our Boosters for organizing and helping to clean up our flower beds and contributing to the beautification of our school -- keep your eye out for the new improvements!

Pelican Students Working Hard

Happy May!

Mrs. McCabe

Please call Pelican if your child
 is absent!
