

Huddles

Objectives

- To improve cohesion within group
- To mix students randomly

Grade/Class _____

Time: 5 minutes

Group Size: 12-200

Materials: None

Where: Open space free of tables and chairs

Instructions

1. Ask the group to huddle by fours.
2. Then ask them to respond to a prompt like “Share your school’s name and your grade level.
3. Ask the groups to huddle by threes.
4. Then ask them a prompt about their favorite _____.
5. Finally ask them to huddle by whatever number will create the size of teams you need. (If you ask 60 participants to huddle by tens, you’ll get 6 groups...)

Every time they huddle, they need to find themselves with different participants than the last round.
