

Dear Parent or Guardian:

## Great News Continues!

We are pleased to inform you that **Conger Elementary, Mills Elementary and Pelican Elementary Schools** will continue to offer the program option called the Community Eligibility Provision for School Year 2015-2016.

This program option will allow all enrolled students at these three elementary schools to receive a healthy breakfast and lunch at school at **no charge** to your household every day during the 2015-2016 school year.

\*Milk and juice will continue to be available for students bringing lunch to school at a cost of 55 cents (\$.55) each.

## Important Information:

To receive free or reduced-priced meal benefits for your children attending other District schools (Roosevelt Elementary, Ponderosa Middle School or Klamath Union H.S.) you **will** still need to complete and submit a free/reduced-price meal application.

For parents whose child(ren) will be attending only Conger Elementary, Mills Elementary and Pelican Elementary and no others, no meal application is required. Your child (ren) will be able to participate in the meal programs at Conger, Mills and Pelican without an application being submitted.

For questions or further assistance on this program, please contact us at 541-883-4758 (**Food and Nutrition Office**).

Sincerely,

Kathy Cole, Food Service Director
