SECTION 504 PROCEDURAL SAFEGUARDS/PARENTS RIGHTS KLAMATH FALLS CITY SCHOOLS

The District shall provide parents/guardians with notification of their rights under Section 504:

- 1. When the District makes determinations regarding the identification, evaluation or placement of a student suspected of having a disability.
- 2. When eligibility is determined.
- 3. When a plan is developed.
- 4. Before there is a significant change in placement.

Notification should include the following rights under Section 504:

- 1. Right to file a grievance with the school district through the District's complaint procedure over an alleged Section 504 violation. (See Appendix for policies AC and AC-AR)
- 2. Right to have an evaluation that draws on information from a variety of sources.
- 3. Right to be informed of any proposed actions related to eligibility and plan for services.
- 4. Right to examine all relevant records.
- 5. Right to receive all information in the parent's/guardian's native language and primary mode of communication.
- 6. Right to periodic re-evaluations and an evaluation before any significant change in program/service modifications.
- 7. Right to an impartial hearing if there is disagreement with the school district's proposed action.
- 8. Right to be represented by counsel in the impartial hearing process.
- 9. Right to appeal the impartial hearing officer's decision.

Section 504 regulations do <u>not</u> define "impartial". However, in similar processes, impartial has been defined as a person not employed by or under contract with the district in any capacity.

Section 504 regulations do <u>not</u> require that the selection of the hearing officer be a mutually agreed upon decision between the school district and the parents/guardians.
