

Klamath Falls City Schools

iPad Apps

VOLUME PURCHASING PROGRAM: We offer several apps at a volume discount. Apps like Pages, Numbers, GW Mail, GW Calendar, GW Contacts, GW import, iMovie, as well as the ability to add all apps when there we a purchase of an app for 10+ iPads. Often there is a 50% savings on the app cost. Contact Technology if there is a need for volume purchasing. Before purchasing any app using another method, think about whether others in the district would find that app useful. If there is that potential, contact Technology to review. VPP apps are automatically distributed through Meraki management system once app is authorized to user.

FREE APPS: add to your iPad at will

INDIVIDUAL PAID APPS: Often there is a very limited need for an app. Apps that specialize in administration, speech, technology, etc can be purchased using an iTunes gift card. Gift cards are available though the purchasing or technology department. The process is the same as purchasing other items. A purchase order with an account number to charge for the iTunes gift card is required. All apps purchased must be bought with the iTune account created for the iPad, uses the xxxxx@kfcityschools.org email address. The district does not purchase apps for a personal iTune account because the license must be retained by the district.
