**KFCS' District Newsletter**  
**By Paul Hillyer, KFCS' Superintendent**  
**Look Out, Here We Come!**

Do you feel the energy? Do you sense the momentum? Klamath Falls is moving ahead. The community is moving forward to an exciting new future. Now is the time to get on board. We are sailing to an electrifying new destination. The first stop on the journey is the Modoc Field Extravaganza. Following that, anything is possible.

At the first Pelican home football game on Friday, September 5<sup>th</sup>, at 7:00 p.m., the new stadium complex will be unveiled. This includes the beautiful turf field, the stunning new track, the refurbished tennis courts, and the phenomenal modern scoreboard. KU wants to reward the community for their generosity (more than \$500,000 in donations and in-kind contributions thus far) by giving **free admission** to the game and the ribbon cutting. This will allow everyone to take part in this community accomplishment.

It will be quite a show. Everyone will want to be a first-hand witness to this historic event. Spread the word to friends, neighbors and relatives!

This evidence of what Klamath Falls can accomplish when we are determined provides great hope for what can be done in the future. Modoc Stadium is just the first step. Just think what the future holds for us and for our children!

See you on September 5<sup>th</sup> - get it on your calendar!

**Other News:**

1. Alison York, owner of Windermere Real Estate, and Dick Ledgerwood, financial advisor for D.A. Davidson Inc., are the co-chairs of the City Schools' Bond Campaign.
2. Also, please click the following link to view a video presentation of the KUHS Remodel Project by Scott Rose from DLR, the project architectural firm: <http://youtu.be/jzflAdl6Dxw>.
3. As we look forward to beginning a new school year, please see the KFCS' strategic plan that is attached. The bold-faced areas will be emphasized at all schools this year.
4. One of these areas is improving attendance. Strong attendance is a key to graduation as has been demonstrated in study after study. If you have school-aged children, please help them increase their likelihood of success by being faithful school attenders.
5. A special information session will be held on Thursday, September 4<sup>th</sup>, at 7:00 p.m. in the KU library for anyone interested in learning more about the KFCS' bond project.
6. For more bond information, check out our website: <http://www.kfalls.k12.or.us>.
7. Please attached information regarding the first annual Klamath Promise 2014 Graduation Walk on **Saturday, September 20, 2014.**
