Dear Families:

Occasionally, the weather (or other unforeseen circumstances) in Klamath County requires us to take special action as to school closures and early dismissal. The following plan outlines our process to inform you when school will not be held as regularly scheduled.

If it is necessary to close school due to bad weather (or other unforeseen circumstances), the local TV and radio stations listed below will broadcast announcements. Additionally, the information will be posted on one or both of the districts' websites www.kfalls.k12.or.us (city schools) and www.kcsd.k12.or.us (county schools) after 6:00 a.m.

Once a decision is made to dismiss school early due to bad weather (or other unforeseen circumstances), announcements will be made on the same local TV, radio stations periodically throughout the day and again the information will be posted on each districts' website.

Please do not telephone the stations, the school, or the school district office. Arrangements have been made with the stations to broadcast the information to you.

Thank you for your help.
