

**ACADEMICS:**

**3<sup>rd</sup> Floor**

Painting continues on the third floor. Classrooms getting more coats of paint...

...as well as the hallways.

Framing on the third floor (new construction portion) is about 75% complete.

The room on the left is the DECA officers' room, and on the right is the new upstairs bathroom space.

**2<sup>nd</sup> Floor**

Second floor storage room...pouring the floor last week...finished, and awaiting paint this week.

The Chem. room...ready to get a first coat of paint.

The staff lounge/work area sans sheet rock.

Framing on the 2<sup>nd</sup> (main) floor is about 98% complete.

**1<sup>st</sup> Floor**

1<sup>st</sup> floor hallways looking like...well, hallways!

The 1<sup>st</sup> floor electrical sub-panels...these will be powered up on the weekend of Dec. 16<sup>th</sup> & 17<sup>th</sup>.

A crisp 28 degrees outside...and a balmy 62 degrees inside☺

...a wonderful day to be a Pelican.

Happy Holidays all!
